Freight Pricing

Delivery charge percentages are calculated using the total dollar amount of product ordered, plus, the distance from our warehouse at **28243 505 Avenue, Winthrop, MN 55396** to the requested delivery location. The Super Sack Delivery Charges listed below apply to deliveries made by Agricultural Innovations, LLC (A.I.) only and do not reflect LTL, FTL, or pricing from non-A.I. trucking. A \$10 handling fee will be applied to each S.S. ordered. The handling fee is not included in delivery charge percentage. All orders *not* utilizing A.I. as freight company are responsible for *all* freight charges incurred *including* the handling fee.

Super Sack Delivery Charges

<i>Delivery Distance</i>	<i>Delivery Charge</i>	<i>Handling Fee</i>
≤ 25 mi	12.5%	\$10 / S.S.
26 – 50 mi	18.0%	\$10 / S.S.
51 – 100 mi	30%	\$10 / S.S.
101 – 200 mi	50%	\$10 / S.S.

Payment Methods

We accept cash/check, all major credit cards, and direct bank transfers through the Venmo app. Payments made by credit card incur an additional 3.5% fee calculated from the total order price (products + applicable handling fees). We strongly recommend that all customers pay with cash, check, or via Venmo.

Discount Terms

To reserve your order and receive the preorder discount, we will be requiring that all purchases follow one of two payment procedures.

- *Option One:* Full payment upon order placement
- *Option Two:* 50% payment within 15 days of order placement, 50%+freight payment prior to delivery

Placing Your Order

When placing your order please have the following information available:

- Name, business address, phone number, email address
- Type, quantity, and packaging method of desired product(s)
- Desired shipping method (pickup, A.I. delivery, or third-party carrier)
 - *For A.I. delivery:* You must have equipment with a minimum lift capacity of 2,500 lbs
 - *For third-party delivery:* Must inform us if a dock is available, or if a lift gate is required
- Desired payment method
- Estimated delivery date

Scheduling Delivery

To facilitate order processing, product availability, and timely delivery, an estimated delivery date will be required upon order placement. Confirmation of requested delivery date must be established at least 5 business days prior to shipment or pickup.

We will always attempt to ship on the dates when requested. However, unforeseen circumstances may prevent shipments from leaving our facility on the exact date requested. Rest assured that we will do our best to ensure you receive your order in a timely manner.
