Freight Pricing

Delivery charge percentages are calculated using the total dollar amount of product ordered, plus, the distance from our warehouse at **28243 505 Avenue, Winthrop, MN 55396** to the requested delivery location. The Super Sack Delivery Charges listed below apply to deliveries made by Agr Innovations, LLC (A.I.) only and do not reflect LTL, FTL, or pricing from non-A.I. trucking. A \$10 handling fee will be applied to each S.S. ordered. The handling fee is not included in the delivery charge percentage. All orders *not* utilizing A.I. as freight company are responsible for *all* freight charges incurred *including* the handling fee. In the event of any charged Third-Party freight overages, we will credit your account. A fuel surcharge of 20% will be added to all deliveries made by A.I.

Super Sack Delivery Charges

Delivery Distance	Delivery Charge	Handling Fee

Payment Methods

We accept cash/check, all major credit cards, payments using the Venmo app (User: @HighIsland-Organics), and ACH payments. Payments made by credit card incur an additional 4.0% fee calculated from the total order price (products + freight + applicable handling fees). We strongly recommend that all customers pay with cash, check, Venmo, or through ACH with Melio.

We now also accept payments using Melio, a free service offering ACH transfers. Please contact us to make a payment using Melio

Discount Terms

To reserve your order and receive the pre-order discount, we will be requiring that all purchases follow one of two payment procedures. The initial payment acts as a reservation for your order.

- *Option One:* Full payment upon order placement
- *Option Two:* 25-50% payment within 15 days of order placement, remaining balance invoiced upon first delivery.

Please note, that failure to make a minimum 25% payment within 15 days of order placement will result in order cancellation.

Placing Your Order

When placing your order please have the following information available:

- Name, business address, phone number, email address
- Type, quantity, and packaging method of desired product(s)
- Desired shipping method (pickup, A.I. delivery, or third-party carrier)
 - *For A.I. delivery:* You must have equipment with a minimum lift capacity of 2,500 lbs
 - *For third-party delivery:* Must inform us if a dock is available, or if a lift gate is required
- Desired payment method
- Estimated delivery date

Scheduling Delivery

To facilitate order processing, product availability, and timely delivery, an estimated delivery date will be required upon order placement. Confirmation of requested delivery date must be established at least 5 business days prior to shipment or pickup.

We will always attempt to ship on the dates when requested. However, unforeseen circumstances may prevent shipments from leaving our facility on the exact date requested. Rest assured that we will do our best to ensure you receive your order in a timely manner.
